St Mary's War Memorial Information

The War Memorial plaque in St Mary's Church, lists the names of men from the parish who were sadly killed fighting during the First and Second World Wars.

Following lengthy local research, information has been passed on to us regarding the lives of the men who died fighting in the First World War.

This information has now been collated into two books – one on either side of the altar rails. The books will be kept there for the month of November for people to look at, but please don't take them away.
